## PREPARING IMAGES FOR COMPETITIONS

### Projected Images

- Projected images should be a maximum of 1920 px wide and 1200 px high to ensure they fit the club's projector screen.
- Images can be any size and aspect ratio as long as they conform to the maximum width and height specification;
- It is recommended that dots per inch (dpi) or pixels per inch (ppi) be set at 72.
- Entries should be submitted in j-peg format.
- The deadline for submissions will be announced in Notices and put on the website.
- In case too many images are received entries should be named and numbered in order of preference eg: Grant 1; Grant 2 etc.
- It is good practice to give images a title.
- Re-sized images should be sent as attachments.

### Prints

- Prints should be not less than size A4 and not larger than A3. They should be mounted on mount board size 40cm by 50cm.
- It is usual to use white, cream or black mount board.
- Unless advised otherwise, prints should be brought to the meeting on the night of the competition.
- The photographer's name and title of the image should be written on the back.
