SBACC PHOTOSHOOTS 2027

Club photoshoots are informal occasions and members may come and go as they wish. However, if the shoot is at night or in poor light, please ensure that you notify the leader of the shoot if you leave before an agreed time. Please remember conditions can quickly deteriorate and the club cannot be held responsible for your safety if you choose to shoot alone. If you would like to buddy up with a more experienced club member, please let the leader know in advance of the shoot.
